Thanks,

I think Walt Helmick is getting involved a bit. He was looking at a QAPP yesterday. He's the Reserve Response Corp QA Guy, and part of the Environmental Unit if it gets activated. We are in Houston doing QA Training this week.

Hi Eugenia and Don –

We are in the process of putting SAPs and QAPPs in place.

I will share with you as soon as I have a working draft from the contractors.

LindaH.

Subject: Gold King Mine Incident Update

On behalf of Shaun and Deb, I am sending out the 8/10 Gold King Mine incident update (attached), for your information. Please direct any questions you have to the EOC or your ARA, who can help direct you to the right person/department for answers.

Regards, Gina
